

NORTHROP RICE FOUNDATION

S&K AVIATION TOOL SCHOLARSHIPS

GENERAL INFORMATION

In a joint program between the S&K Tool Company, the Northrop Rice Foundation, and the Aviation Technician Education Council (ATEC), S&K will donate three sets of tools each year to be awarded to students of ATEC member schools. The tools will be donated to the Northrop Rice Foundation who will be responsible for the selection of the tool recipients. The tools are valued at approximately \$1400.00. In order for students to be considered they must comply with the following requirements.

Criteria For Selection of S&K Tool Recipients

The student must:

1. Be attending an Approved PART 147 school that is an ATEC institutional Member
2. Have completed the first term of the program successfully and must submit a transcript of grades for that period.
3. Submit a letter of recommendation from the instructor who taught the student during that period.
4. Submit an essay describing the student's goals and the need for financial assistance.
5. Submit two (2) letters of recommendation from professional people who are not associated with the school.

Application will be accepted anytime during the year with a deadline date of March 1 of each year. The selection of the recipients will be announced at the Annual Conference of the Aviation Technician Education Council (ATEC). The tools will then be shipped directly to the recipients of the awards.

Applications and documentation are to be submitted to:
